JUNIOR COURSES

SCARBOROUGH

This picturesque town is located on the East coast of England. Previously a fishing town, it became a popular tourist destination in the Victorian era due to its spa waters

Small enough to be a friendly place to meet locals, and big enough to have a wide range of events and activities

ACTIVITIES

There is a lot to see and do in Scarborough, and every evening our teachers will be organising an activity for you. Including:

- learning to surf along our two beautiful beaches
- visiting Europe's largest open air theatre
- 12th century castle with spectacular views
- film nights
- quiz evenings
- sports such as football, bowling, swimming and more!

ACCOMMODATION

At English Steps, our teachers live alongside our students, so they will always be there to answer questions about English, and also make sure everybody feels safe and welcomed.

We will be staying in university accommodation, walking distance from the theatre and the town centre, and all food is included in the cost. Each student has their own private room.
